## EUROTAP

### European Tunnels Assessment Programme

Project details	
Domain	Road and Tunnel Infrastructure
Duration	from 01/01/2005 until 31/12/2007
Website	<a href="http://www.eurotestmobility.net/eurotappub.php">http://www.eurotestmobility.net/eurotappub.php</a>
Other sources	

Over a three-year period, at least 150 road tunnels, of at least 1000m in length located on the Trans-European Road Network (TERN) will be assessed for their level of road safety. The results of these annual assessments will be published widespread across Europe and will be accompanied by a series of complimentary measures intended to reinforce the safety messages to users of tunnels, to be disseminated off the back of the assessment programme.
